NOTE: Prepared by the 436th Comptroller Squadron, Financial Analysis Office, the Economic Impact (EI) provides the public with key unclassified information about Dover Air Force Base. It highlights various aspects of the base's mission and resources, as well as its financial impact on the local area. The data in the EI was compiled from numerous sources, including on-base activities and other governmental agencies. As of 30 Sep 18, the facts and figures contained throughout are accurate to the best of our knowledge; however, approximations were used in some instances. We believe these approximations provide data that is representative of actual costs/values. Additionally, where data was not readily available, estimates reflect the general level of activity. These estimates and approximations do not diminish the accuracy of this report nor the base's impact on surrounding communities. For further comments, questions, or requests for additional copies of this product, please contact the base Public Affairs Office, 201 Eagle Way, Dover AFB, DE, 19902, telephone (302) 677-3372 or DSN 445-3372.
