# SCHOOL LIAISON SERVICES

## Vision and Goals:

The vision of the School Liaison Program is to provide information and referrals about community resources to military families and the local community.

The goals of the program are:

- Serves as the installation's point of contact for military child education issues
- Provides for the delivery of special needs family support services in coordination with the installation Exceptional Family Member Program (EFMP) components of the Medical Treatment Facility and the Military Personnel Section
- Promotes parental involvement in their child's education to help with ensuring academic success
- Coordinates education transition related resources and provides points of contact within schools and the community to military families
- Provides resource materials on local primary, secondary and post-secondary education
- Initiates, manages, and promotes community partnerships and outreach opportunities with schools and civic groups

The School Liaison Specialist serves as the central point of contact for school-related matters between commanders, military families and local school districts.

The SL offers a wide spectrum of services to include:

- Information about local school districts (public, private and parochial) to incoming/outgoing military families
- Initiates Partnerships in education with on/off base organizations
- Provide local, state and federal resources and information for families of children with special needs
- Coordinates communication between the command, school, and community
- Provides Special needs family support services to military families
- Post-secondary preparation
